TIMBERLINE MIDDLE SCHOOL ANNUAL YEARLY PROGRESS

We are very pleased to announce that Timberline has once again done very well in the Criterion Referenced Testing.

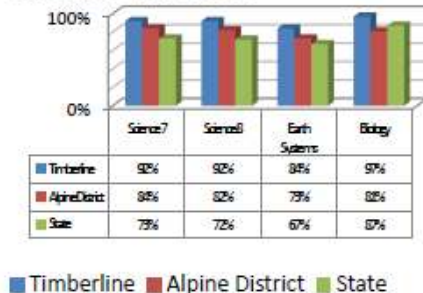

These assessments are used to determine a student's progress and also help determine the progress of the school as a whole. As a school, students must show mastery or near mastery of the given subject as outlined in the state core objectives.

- Our Language Arts scored number one in the State of Utah for schools of our size with 97% proficiency rate!
- Our Mathematics scores were number two in the State of Utah for schools our size with a 92% proficiency rate.
- Our Science scores were number two in the state for schools of our size with a 92% proficiency rate.
