

## **ALPINE SCHOOL DISTRICT VALUES**

### **Equitable Access to Academic Knowledge**

We provide access to a challenging curriculum and support in achieving high levels of learning for each student.

### **Engaged Learning Through Nurturing Instruction**

We promote student learning through caring relationships, effective teaching practices, and positive classroom environments.

### **Stewardship in School and Community**

We partner with families and communities to improve public education, teacher quality, and student achievement.

### **Civic Preparation and Engagement**

We model and teach the knowledge, skills, and respect required for civic engagement and responsibility, consistent with the principles and values on which our country was founded.

### **Commitment to Renewal**

We continuously improve through personal, school, and professional development.
