School and Early Childhood Program Use Only:

1. ALL REQUIREMENTS MET: Requirements are met by either up-to-date immunizations on the first day of school or by obtaining a religious, personal, or permanent medical exemption. If all immunizations are up-to-date, enter the date for ALL REQUIREMENTS MET and check the box for "Adequately Immunized." If the student has an exemption, check the box for the type of exemption, enter the date for ALL REQUIREMENTS MET, and follow the Exemption Procedures. If the medical exemption is permanent, enter NA for expiry date. If the medical exemption is temporary, follow the instructions for CONDITIONAL ADMISSION and do not enter an ALL REQUIREMENTS MET date.

Exemption Procedures: The Utah Immunization Rule for Students (R396-100) allows for three types of exemptions, Personal, Religious, and Medical exemption. Personal and religious exemption forms may be obtained from local health departments. A local health department representative must witness and sign the Personal or Religious Exemption Forms giving the WHITE and YELLOW copies to the parent/guardian. The parent/guardian will present the WHITE copy to the school or early childhood program official. The WHITE copy must be attached to this record. The YELLOW copy is for the parent/guardian. The PINK copy will remain with the local health department.

Medical Exemption Form must be completed and signed by the student's licensed physician (Utah Statutory Code – Section 53A-11-302). The Medical Exemption Form may be obtained from the student's physician. It must indicate whether the exemption is for one or all immunizations. The WHITE and YELLOW copies will be given to the parent/guardian. The parent/guardian will present the WHITE copy to the school or early childhood program official. The WHITE copy must be attached to this record. The YELLOW copy is for the parent/guardian. The PINK copy will remain in the child's medical record.

2. CONDITIONAL ADMISSION: If all requirements have not been met, but the student has received at least one dose of each required vaccine, enter "Conditional Admission" date and explain the process of completing the required immunizations to the parent/guardian. If a student has a temporary medical exemption they are eligible for CONDITIONAL ADMISSION. Enter the exemption expiry date and enter "Conditional Admission" date. Upon expiration of temporary status, immunizations will be required.
3. NOT-IN-COMPLIANCE: On the first day of school, if all requirements have not been met and the student is more than one month past due for any immunization, the student is Not-in-Compliance and must be excluded from school. Enter the "Not-in-Compliance" date. If the student subsequently completes all required immunizations, status can be changed to ALL REQUIREMENTS MET. Enter the date and check the box for "Adequately Immunized" and cross through the "Not-in-Compliance" date.

Disease Verification: Parent/guardian must sign on reverse side verifying history of chickenpox disease.
