

February 16, 2018

Dear Future Vista Heights Student,

We at Vista Heights are excited that you will be joining us next year as a 7th grader. To help with your transition and registration, we have arranged for all of our future 7th graders to come to Vista Heights for an orientation and assembly. This will take place on two different days, Thursday, March 1st, 2018, and Friday, March 2nd, 2018, at 10:00 a.m. in the Vista Heights auditorium. See below for the day your school will be attending. Students in the Alpine School District will be bused to Vista Heights.

Thursday, March 1 st 10:00 am	Friday, March 2 nd 10:00 am
Springside Harvest Riverview Charter School/Home School	Sage Hills Saratoga Shores Thunder Ridge Charter School/Home School

Parents are also invited to attend this meeting. We ask that students stay with their school and that parents sit at the back of the auditorium. This meeting is an orientation, not registration. Students will bring home information about registration which will take place the following week.

A registration packet will be sent home with you when you attend the orientation/assembly on March 1st and 2nd. This packet will include an informational letter from our Principal, registration form, a list of course descriptions, instructions on how to enter your class requests, immunization information, and a guardianship status form. You will request your classes online, and then return your information during one of our registration nights.

There will be two registration nights. Your elementary school has a suggested date for registration, but you can attend any time that is convenient for you. Again, these are recommended times. ***If you cannot make it at your assigned time, come another night, but please come. This is NOT a first come, first serve basis. All students will have equal opportunity on class choices regardless of the day they enter their choices into Skyward.***

Wednesday, March 7 th 3:00 – 6:00 pm	Thursday, March 8 th 3:00 – 6:00 pm
Springside Harvest Riverview Charter School/Home School	Sage Hills Saratoga Shores Thunder Ridge Charter School/Home School

Immunization: There have been changes in immunization requirements for 7th grade students. Most incoming 7th graders need to have 1 Tdap (within the last 5 years), 2 Varicella and 1 Meningococcal. Please check your records to make sure your student is in compliance. You can visit our website at vistaheights.alpinedistrict.org for updated information. **Please note that your student will not be able to start the first day of 7th grade until proper proof of immunization is received to our office.** If your registration packet has a red stamp that says “Immunizations Needed” then we do not have your child’s updated immunizations records on file. Please make an appointment with your Dr. or submit the documentation to your current school nurse.

We are excited about the opportunity to teach the students of Vista Heights and look forward to you joining us next year. If you have questions, please call 801.610.8771 and ask for Mrs. O’Connor or Mrs. Lewis.

See you soon!
