

*Fundraising has never been easier –
 Easy to distribute – Easy to Profit
 Raise money quickly and on a regular basis
 Nothing to buy, nothing to inventory, nothing to deliver
 No Liability !*

Papa's Express Tunnel Car Wash, LLC will be opening this September in Saratoga Springs across from Walmart on Exchange Drive in front of Tractor Supply. Supporting local fundraising is a key focus of our marketing efforts.

We offer your 501c3 or non-profit organization an easy way to help reach your fundraising goals – a new, unique concept that is free and easy to setup, and provides residual income going forward.

Papa's Express provides you a unique 4-digit code assigned to your non-profit. Any customer to our car wash can use the code to support your organization. Your only task is to help communicate your code to your supporters. We even have a small windshield sticker with the code to help them remember.

When your supporters come to Papa's Express, they simply select "Fundraiser" on our automated teller, type in your four-digit code and select one of our washes. Ten percent (10%) of every purchase made by your supporters using the code goes directly to your organization. If your supporter is part of our unlimited monthly pass program and has indicated your organization as preferred, Papa's Express automatically records and complies these purchases, and your organization receives a check paid quarterly. As an example, if your supporter signs up for our GOLD Unlimited Wash Program which is \$24.95/month, your organization would receive \$2.50/month or \$30/year from this one customer spend with Papa's. Imagine the dollars that could flow into your organization with little effort.

It's that simple! No inventory, no setup, no upfronts costs!

You make money. Papa's Express does all the work !!

Organization	<u>Vista Heights</u>
4 Digit Code	<u>8770</u>
