

Volunteer Opportunity

Support your school!

Make a difference and help students prepare for college!

The Utah Scholars Initiative places volunteers in 8th grade classrooms to give presentations on the importance of college. Volunteers talk to students about what courses to take in high school to be eligible to earn scholarships, and how to be better prepared to succeed in college.

Each classroom presentation only takes about 45 minutes and volunteers can commit to give as many presentations as they like! We are in each school once a year over one or two days depending on the school. Please contact Mr. Davis in the Counseling Office to find out when our school training is scheduled.
