

**Attention: All Interested Sixth Grade Students
Who Will be Attending Willowcreek Next Year.
(2020-2021 school year).**

Willowcreek Middle School Gifted Services Committee
will administer the two tests for
Intermediate Math I Accelerated

Wednesday, March 25, 2020 at 4:00 p.m.

and

Thursday, March 26, 2020 at 4:00 p.m.

The student only attends ONE day
and must be on time (arrive about 3:45 p.m.).

*Register before March 25th
online through the school's website:
<http://willowcreek.alpineschools.org>*

Students will report to **room B110**.

All materials will be provided

Food and drinks are not allowed in the testing room.

The approximate time for both tests is 2.5 hours.

The first test is a timed test (35 minutes).

The second test is not timed.

Intermediate Math I Accelerated: Students must test into this course (which is a separate test from the GT test offered in January for other subjects.) It is the first class in the accelerated path for mathematics. Students in this path will study all of the topics included in Intermediate Math I, Intermediate Math II, and Secondary Math I Honors in two years. This path allows students to take AP Calculus as juniors and AP Statistics as seniors. In the eighth grade, students will be enrolled in Intermediate Math II Accelerated for a semester and Secondary Math I Honors for the second semester.
