Plan for College and Career Readiness (PCCR)

Start Early

- Academic planning
- Extracurricular involvement
- Volunteering
- Researching schools and careers
- Financial Planning

Carefully Select Course Work

- Take college prep classes- advanced, honors and rigorous courses
- Prepare for the ACT
- Earn College Credit- AP and Concurrent Enrollment
- Internship/Work programs
- Vocational/Technical training

Make Yourself Easy to Recommend

- Be involved in extracurricular activities, service, leadership, clubs, etc.

---PLAN, PREPARE, AND PARTICIPATE! ---

Zoology, Geology, Astronomy, Medical Anatomy, Green House, etc.

Other classes to consider:

- Foreign Language
- Band
- Orchestra
- Choir
- Dance
- Seminary
- Latinos in Action
- Other planned electives

How to View Your Graduation Progress in Skyward

1. Log in to Skyward
 - a. You can get your log in and password from the counseling office
2. Go to the left hand menu
3. Click on Graduation Requirements
4. From here you can see
 - a. What you are required for graduation
 - b. What you have completed
 - c. What you still have to complete this year
 - d. Once you register for 10th grade, it will show what you have registered for
 - e. What you have remaining in each content area

Testing

AP Test: Advanced Placement Tests are given after completing and advanced placement course. A student may receive college credit if they receive an acceptable score.

ACT Test: The American Collegiate Test is a college entrance exam used as part of the admissions process. It is recommended to take the ACT 2-3 times. Your highest score is submitted for admission and scholarship awards

The optimal time to take the ACT is in the spring of your junior year. Make sure to check the ACT and LHS websites for the test dates and deadlines. www.actstudent.org

SAT Test: The Scholastic Aptitude Test is a standardized test for most college admissions in the United States. The SAT is intended to test a student's readiness for college. www.Sat.collegeboard.org

ACT vs. SAT: Choosing whether you should take the ACT or the SAT depends on your college choice.

ASVAB: The Armed Services Vocational Aptitude Battery is test for juniors and/or seniors. The ASVAB explores interest, skills, and work related values. www.military.com/join-armed-forces/asvab

Explore Test: ACT prep test that tells you things you need to know to plan your high school courses, prepare for the ACT, or choose a career. This test is taken in 8th or 9th grade.

PLAN Test: The Plan test is taken in 10th grade and is a great way to prepare for the ACT.

Accuplacer: A test 10th graders must take to enroll in Concurrent Enrollment classes. Assesses reading, writing, math, and computer skills. The Explore test score can count in place of the Accuplacer

*Many ACT practice tests and websites can be found on the LHS counseling website: www.lehicounseling.weebly.com

Paying for college

Scholarship Information:

Scholarships are a type of financial assistance that are awarded based on merit, talent, achievement, financial need, service or other unique criteria.

Utah Board of Regents Scholarship:

The Regents' Scholarship encourages Utah high school students to prepare for college academically and financially by taking a core course of study and saving for college. The scholarship may be used at any public college or university in the Utah System of Higher Education. For more information see:

www.stepuputah.com

New Century Scholarship:

This scholarship encourages students to accelerate their education by earning an Associate degree in high school. It is important to use the following website as a resource for the most up-to-date information: www.stepuputah.com

Tips for finding scholarships

- Start early. There are scholarships you can apply for even as a 9th grader.
- Look often. Scholarships will not just appear. You have to look, check back, search, and apply to several.
- Know it will take a lot of time, but will be worth it in the end.
- Find a way to keep track of scholarships you can and want to apply for
- Create a “junk email address”. Most scholarship websites will ask you for your email, then send you all kinds of info and a lot of it. If you have an email devoted just to scholarships, then all that info will be in one place.
- Get more tips on the LHS website: www.lhs.alpineschools.org

Scholarship Search Sites:

LHS Counseling Site: www.lhs.alpineschools.org

Utah Futures: www.utahfutures.org

Zinch: www.zinch.com

Financial Aid: www.fafsa.ed.gov

Chegg Scholarships: www.chegg.com/scholarships#

The College Board: bigfuture.collegeboard.org/college-search

Cappex: www.cappex.com/scholarships/

Fastweb: www.fastweb.com

FAFSA 4caster: www.studentaid.ed.gov/sa/fafsa/estimate

NCAA

If you are planning to participate in Division I or Division II athletics, you must be cleared by the NCAA eligibility center. For clearance you must take **16 core classes** and have your ACT score sent to the NCAA. Registration should be done by the 4th quarter of your junior year. For more information go to www.eligibilitycenter.org

Division I

16 Core Courses

4 years of English

3 years of Mathematics

2 years of natural/physical science

(1 year of lab if offered by high school)

1 year of additional English, mathematics, or natural/physical science

2 years of social science

4 years of additional courses: from any area above, foreign language or comparative religion/philosophy

Credit Make-up and Acceleration Options

Before signing up for any credit make-up or acceleration options, **please see your counselor** to ensure the credits you are taking will apply to the credits you need for graduation.

Alpine School District Extended Year (Summer School)

Two blocks of classroom instruction 3-weeks each

3 Classes per block (\$25 per class)

www.alpineschools.org (see extended year)

For information, please see your counselor

East Shore High School

Online packets through Alpine. 2 packets per .25 credits

Cost: \$110 to enroll, \$10 per packet

<http://www.eastshorehs.com/>

BYU Independent Study

Independent study packets: online and hard copy

Courses are worth .5 credits

www.elearn.byu.edu

Other online opportunities

Please talk to your counselor before signing up for any online program
