

Lehi Junior High Parents/Guardians,

As you come by the school to pick up or drop off your student here are the procedures that will help you do so in an efficient manner. For the safety of our students and for the sake of our community, we encourage the following:

- Whenever possible please carpool.
- Consider arriving earlier for student drop-off (7:40-7:50 am).
- Consider arriving later for student pick-up (the bus lane is available after 3:00 pm).
- Please encourage your walking students to use the crosswalks.
- Please be aware of walking students as you drive.
- Please follow painted lines, including not parking in drop-off zones and not blocking other traffic.

Please be courteous to other drivers, students, and school personnel.

The attachment shows traffic flow in drop-off zones. Also, you may find the current and updated bus information here: <http://bus.alpinedistrict.org>

Thank you for your cooperation and consideration. We look forward to working with you to make this a great year.
