

Dear National Junior Honor Society Candidate,

Membership in the National Junior Honor Society (NJHS) is one of the highest honors that can be awarded to a middle school student. Our chapter strives to give practical meaning to the Society's standards of scholarship, service, leadership, character, and citizenship. These five ideals are considered as the basis for selection. No student is inducted simply because of a high academic average. The National Junior Honor Society strives to recognize the total student—one who excels in all of these areas. The standards used for selection are:

Scholarship: 3.7 cumulative GPA average

Leadership, service, character, and citizenship: as demonstrated by student activities

Membership, however, is more than an honor. It is an ongoing responsibility and an obligation to continue to demonstrate those outstanding qualities that result in a student's selection. Membership also carries a responsibility to the chapter. If our NJHS chapter is to be effective and meaningful, each member must become involved. Regular meeting attendance, participation in a chapter service project, and at least 10 hours of documented community service is required.

We hope you will submit your candidate information form and congratulate you on your success thus far.

Sincerely,

Principal
