5. Discuss teacher trust land requests (prices etc.) – Grant Cotterell

Discussion on the requests, including a position for \$65,000 for a Guided Studies teacher. Administration commits to finding funding for the position other than the trust lands monies after this year so a position is not dependent on trust funding. Because of this agreement on the part of administration, we put the position to a vote. Lisa Preece moved, Kim Conant 2nd - vote was unanimous.

For next meeting, prior to voting on requests and expenses, administration will provide a priority spending list.
