

# AFJH CHOIR AUDITIONS!

MARCH  
**19**

## Intermediate Choir Auditions - (During 6th Grade Open House) Mar 19, 3:30-5:30 pm

If you love singing, reading music, and making music, we would love to have you audition for the Intermediate (Men's or Women's) Choirs!

To be prepared for these choirs, **the most important thing is that you know how to read music (treble and bass clef and rhythms)**. Please come ready to sing a short song of your choice (about 15-30 seconds) and to demonstrate your knowledge of the note names and rhythm durations (treble and bass clef, and whole notes through 8th notes).

If you want to practice your note names in advance, you can use the following link:

For the treble clef - [www.musictheory.net/exercises/note/bg1yryo1rj1ynyyykb](http://www.musictheory.net/exercises/note/bg1yryo1rj1ynyyykb)

For the bass clef - [www.musictheory.net/exercises/note/ng1yryo1rj1ynyyykb](http://www.musictheory.net/exercises/note/ng1yryo1rj1ynyyykb)

If you love singing, but don't know how to read music and want to learn, so that you can audition, here are two great videos that will teach you what you need to know, and you can use the links above to practice -
