PLEASE NOTE THE FOLLOWING INFORMATION

We do not give change from checks.

Junior high and high school students will absolutely **NOT** be able to charge meals. A student must have enough money in their account to cover the cost of a meal. Money must be in the student's account before the student goes through the cafeteria line. The manager may offer an opportunity to earn a meal when sufficient funds are not available.

Elementary students, for emergency purposes only, will be allowed to charge up to \$6.00 total for Breakfast and Lunch. A student beyond \$6.00 will be offered a Deficit Breakfast of Graham crackers and white milk, or a Deficit Lunch of a cheese sandwich and white milk. Students with negative balances greater than \$9.00 will be denied meals until payment is received.

Deficit notices are sent to parents of students who have a negative account balance. **Please note the date on the letter. The amount listed will bring the student's account current only to that date.**

If you have a question about your deficit notice, please contact the lunch manager.
