Vista Heights Middle School
 Counseling Department

Feb 9, 2019

Dear Future Middle School Student,

We are excited that you will be joining us next year as a 7th grader. To help with your transition and registration, we have arranged for all of our future 7th graders to come to Vista Heights for an orientation and assembly. This will take place on two different days, Thursday, February 28, 2019, and Friday, March 1st, 2019, at 10:00 a.m. in the Vista Heights auditorium. See below for the day your school will be attending. Students in the Alpine School District will be bussed to Vista Heights.

Thursday, February 28th 10:00am	Friday, March 1st 10:00am
Sage Hills Springside Saratoga Shores Charter School/Home School	Brookhaven Harvest Hills Riverview Thunder Ridge

If parents/guardians would like to attend with their student, we ask that students stay with their school and that parents sit at the back of the auditorium. This meeting is an orientation, **not registration**. Students will bring home information about registration which will take place the following week.

A registration packet will be sent home from your Elementary School. This packet will include an informational letter, registration form (if applicable), a list of course descriptions, instructions on how to enter your class requests, and immunization information. You will request your classes online, and then return your information during one of our registration nights.

There will be two registration nights, Please attend any time that is convenient for you. *This is NOT a first come, first serve basis. All students will have equal opportunity on class choices regardless of the day they enter their choices into Skyward.*

Wednesday March 6th	Thurs. March 7th
3:30 - 6:30 pm	3:30 - 6:30 pm
Come Visit Vista Heights!	Come Visit Vista Heights *Health Department Clinic will be on sight offering Immunizations. Many insurances accepted and cash paying recipients welcome also!

Immunizations: There have been changes in immunization requirements for 7th grade students, Most incoming 7th graders need to have 1 Tdap (within the last 5 years), 2 Varicella and 1 Meningococcal. Please check your records to make sure your student is in compliance. You can visit our website at vistaheights.alpinedistrict.org for updated information.

Please note that your student will not be able to start the first day of 7th grade until proper proof of immunization is received in our office.

If your registration packet has a red stamp that says "Immunizations Needed" then we do not have your child's updated immunizations records on file. Please make an appointment with your Dr. or submit the documentation to your current school nurse. If choosing Exemption, please note a **NEW Exemption** MUST be completed for incoming 7th graders.

We look forward to welcoming you to Middle School soon! If you have questions, please call 801.610.8771 and ask for Mrs. Tyson or Mrs. Lewis.
