Required Classes

English 7: This course is an overview of language, literature, oral work, reading, and writing. ($15.00 fee)

English ALL: This project-based class requires above grade-level reading, writing, and thinking skills. Prior approval is required based on district testing.

Intermediate Math I: For all 7th grade students. Class is held every other day, and instructions covers basic statistics, geometry, and algebra. This course is for students who have demonstrated basic mastery of 6th grade math concepts.

Math Skills: This course is strongly recommended for students with very low year-end math test scores or very low grades. This remedial math class is designed to prepare students for Intermediate Math I.

Intermediate Math I AC: This class is for accelerated students. These students must pass a basic skills test and the Orleans Hanna test.

College/Career Awareness: Careers Technology Education Introduction is course that allows students to be involved in activity-centered lessons that explore careers, utilize technology, and develop beginning skills in the applied technology areas of agriculture, business, family and consumer sciences, health science, information technology, marketing, economics, and technology education are explored. ($13.00 fee)

Utah History: This course is designed to help students understand the state of Utah at a deeper level by reviewing Utah’s early history and emphasizing Utah from statehood to the present.

Utah History ALL: This project-oriented class offers an advanced level of Utah History. The enriched curriculum will emphasize inquire, research, creativity, and higher level thinking skills. Prior approval is required based on district testing.

Integrated Science 7: Students will be looking for cause and effect relationships throughout nature. They will explore how forces can cause changes in motion and shape the face of the Earth. They will understand how Earth’s environments provide the conditions of life. ($5.00 fee)

7th & 8th Grade PE: Skills and techniques in a variety of team and individual sports are taught. Running and exercise skills are taught to improve physical fitness. ($3.00 fee)

Health: This class is designed to inform the students about themselves and their surroundings. It covers hygiene, first aid, substance abuse, fitness and nutrition and other related areas.

Elective Classes:

Art Foundations 1: Introduction and exploration of the visual arts through fun projects that investigate design and cultural connections. ($10.00 fee)

Intro to Ceramics: Develops basic skills in the creation of 3D forms using pinch, coil and slab techniques. Students complete benchmarks projects to demonstrate basic understanding then develop self-directed projects to learn the artistic process. ($10.00 fee)

Intro to Drawing: Exploring basic drawing concepts and mediums through fun projects. ($10.00 fee)

3D Design/Crafts: Exploration or 3-D arts and design through the Folk Arts and other art forms, including paper and fabric arts projects. ($15.00 fee)

Advanced 7th grade choir - full year choir for students who may already have a background in music and may already be familiar with reading notes on a staff, identifying rhythms, voice parts, harmony and melody, standard rehearsal practices, treble clef, etc.

7th grade choir: single semester class which introduces the basics of singing and learning to read music. This class is given under the assumption that students have no previous experience in music and vocal performance.

Creative Writing: This course is intended for beginning and more advanced writers looking to improve writing skills. The focus will be on poetry, short stories, and how to get published. Students are expected to write and share their work.

Band-Beginning: Students will learn to perform on a wind instrument of their choosing. Students will learn to read music with an emphasis on good tone quality and intonation, as well as rhythmic accuracy. ($10.00 materials fee)

Orchestra-Beginning: Designed for students who have had little or no previous experience playing violin, viola, cello, or string bass, but would like to learn. Summer Orchestra is strongly recommended for all Beginning Orchestra students. ($5.00 materials fee)

Spanish 1/French 1: In Level 1, students begin to communicate sufficiently to satisfy basic survival needs and courtesy requirements. They ask and answer simple questions, respond to and simple statements and maintain basic conversation. Students understand and interpret written and spoken language on topics in the present tense. ($15.00 fee)

Chinese Immersion: This course is for students continuing in the immersion program. Chinese language and culture will be covered in this course. ($15.00 fee)

Dance Ballroom 1: This co-ed dance class teaches various forms of American style social dancing. All of the social dances taught are designed to give students dance experience they can share and enjoy on any social dance occasion.

Reading Literature: Students will analyze a variety of short stories and novels in this class. Students will also learn about various reading strategies. This class is designed so that readers of all levels can learn about various genres in literature and gain practical strategies to improve individual reading skills and become better independent readers.

LA Conditioning: Advanced conditioning is designed to take students who are physically fit up to the level of competitive fitness. Individualized instruction will be given in several areas; these will include advanced strength training and flexibility techniques, aerobic conditioning (running), anaerobic conditioning and diet.
