Administration Message

Dear Canyon View Community,

Near the end of March Canyon View had the opportunity to have a visit from Cognia. Cognia is a company that accredits schools throughout the country. This happens every 5 years in secondary schools. Cognia visited with teachers, parents, students, and administration to ask about our school. They also had us share documents like budgets, meeting agendas, student achievement reports, and surveys so they could get a sense of how things operate on a day to day basis here at Canyon View. We will receive our results in the coming weeks and we look forward to the feedback they will give. The process we went through was informative and inspiring. To be able to reflect on all the hard work our staff engages in and the amazing things our students accomplish has been eye opening to me. We, like all schools, have things to improve on but we are headed in a great direction.

In February I was informed that I will move from assistant principal to principal of our school as Mr. Lott has been reassigned to be the principal of Pleasant Grove Junior High. I am grateful for this opportunity and excited that I get to stay here at Canyon View. I am grateful to Mr. Lott for all he has done in his time here and I'm glad I've been able to work with him for the last few years. I look forward to working with our faculty and staff to provide the best educational opportunity possible for each of our students. I have a strong belief that a good education can make all the difference in the life of a child. I am excited to get to work helping all students learn at high levels.

Sincerely,

Mr. Cotterell, Assistant Principal

College and Careers Week @ CVJH

Parents - We just finished College and Career week and had students use some of these websites to do activities during advisory classes. Please take time to follow up with them and help them plan for their future. They should each have a completed handout.

This **Reality Check** activity will help students better understand the monthly costs for their future life. Then they can use this site to search careers that will cover these expenses.

<https://www.educationquest.org/myeducationquest/reality-check/>

Search careers of interest by keyword, industry or take a survey. Research three different careers and answer the following questions on the worksheet.

<https://www.mynextmove.org/>

1. Name of career / 2. What education or training is required? 3. What is the median salary?
4. Does this career earn enough money to match your Reality Check from yesterday?

Use this site to **know which colleges, universities and technical colleges have the programs needed** for you to become qualified for different careers.

Type in the name of the careers that you researched yesterday to find out which schools you could attend and then research those schools. You can search by topic or school. <https://www.utahmajors.org/>

This site links you to some public colleges in Utah. Please **learn about the colleges that have training in areas of interest.**

Answer the following questions on the worksheet. <https://www.utah.gov/education/colleges.html>

1. Name of school / 2. Where is it located? / 3. How many students attend? / 4. How much does it cost for in-state tuition and out-of-state tuition?

Thanks from the CVJH Counselors

2021-22 Canyon View Junior High School Tardy Policy

Promptness is a life long skill that we strive to teach here at Canyon View Junior High School. The intent of the Canyon View Junior High School Tardy Policy is to help promote and foster that skill. Students are encouraged to be to class on time to make sure they are ready to learn. Please help us meet that goal by encouraging your child to be to class on time. Please see the tardy policy below.

Promptness is a lifelong skill we strive to teach at CVJH!

CANYON VIEW JUNIOR HIGH TARDY THRESHOLDS

Let's teach your student this skill together!

4 tardies in any class will result in a phone call home from the student's teacher.

CANYON VIEW JUNIOR HIGH TARDY MAKE UP

Tardies can be made up with the teacher where tardies were accrued. 15 minutes will make up one tardy in after school remediation.

10 tardies in all classes combined or 4 tardies in one class will result in a meeting with student, parent & administrator. 9th grade students will not be eligible to attend Lagoon day.

TAKE ADVANTAGE OF YOUR STUDENT'S ADVOCATE

Did you know that at Canyon View Junior High School we have advocates hired to help your child succeed? The school alphabet is divided up three ways and we have hired professionals who help track attendance and communicate with you when we have concerns about your child's education. Take a look at the divisions below.

10+ If tardies persist, more meetings, suspensions and/or adults escorting students to class will take place. In some cases a parent will be asked to come to school to help walk their student to class.

Timpanogos Girls Basketball - K-12th Grade Interest

Timpanogos High School is currently looking to identify players who are interested in playing girls youth basketball. This is open to all players who are in K-12th grade who are interested. Once we identify those who are interested, we will schedule a meeting to go over all the details as to costs, tryouts and other information about forming teams. This year we will be focusing on creating programs that will allow players to develop their skills and become better basketball players. There will be opportunities for those of all skill levels and ages to play on teams.

We are excited for this opportunity and look forward to helping our players become the best they can be.

Please fill out this form if you interested in learning more: <https://forms.gle/pSy1PxoC7ebHVPIT7>
