## ***To All Our New 7<sup>th</sup> Grade Students and Parents,***

A special WELCOME to Canyon View Junior High! We are excited to start the new school year. Canyon View Junior High School has a long-standing tradition of excellence in academics, citizenship, and extra-curricular activities. We hope that you will take pride in the things that you are able to accomplish during your time at Canyon View and that you will be able to contribute to our school community in meaningful ways. We look forward to getting to know each of you. As we near the beginning of school, we wanted to share some important information with you.

### **7<sup>th</sup> Grade Day**

The day starts at 7:45 a.m. and ends at 10:50 a.m. It is an optional day, but we hope most students will attend. Busses will run and a lunch (brunch) will be served. ### **STATE IMMUNIZATION REQUIREMENTS FOR 7<sup>TH</sup> GRADE ENTRY 2022-2023:**

Each 7<sup>th</sup> grade student must provide proof of a Tdap Booster (Tetanus/Diphtheria/Pertussis), 2nd Varicella (chickenpox), 1 Meningococcal in addition to their other immunizations which should have already been completed ( *i.e. MMR, Polio, Dtap/DPT, Hepatitis B, Hepatitis A, Varicella (Chickenpox)*).

\*If you have signed an exemption in the past for your student, you will be required to update their exemption by taking the free on-line class (*see information below*).

To claim a **personal, religious** or medical exemption, the legal guardian must complete an on-line educational module (*free of charge*) and provide a copy of the completed form to the school official. The on-line course can be found at [www.immunize-utah.org](http://www.immunize-utah.org). Completion of the on-line educational module can be done at the Health Department if you do not have access to a computer. **For a medical exemption**, a written note from a licensed health care provider must be provided along with a copy of the completed on-line educational module. It should state the physical condition of the student, and why that vaccine would endanger the student's life or health.

Students claiming immunity against a disease for which immunization is required because the student previously contracted the disease must submit a document signed by a healthcare provider to the school as proof of immunity.

**7<sup>th</sup> grade students must be current on immunization requirements in order to attend school.**

Please find a teacher or an administrator if you need assistance or have any questions while at school the first few days. We will be in the hallways ready to help you.
