

Course Requests Instructions for SKYWARD

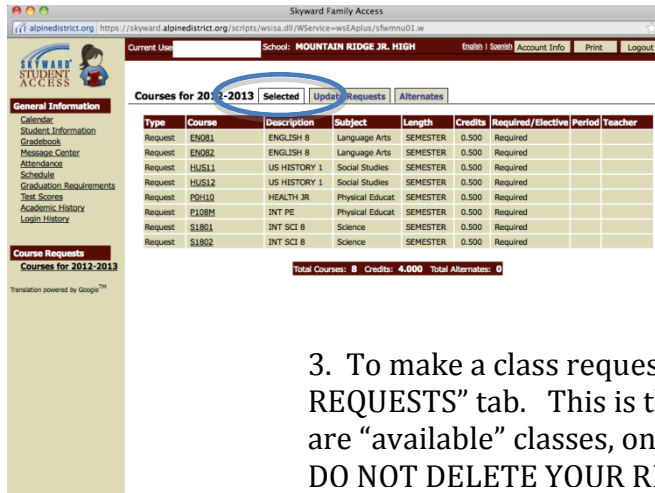

1. Log on to Skyward using your username and password (contact Counseling if you have forgotten this information).

This is the screen you will see.

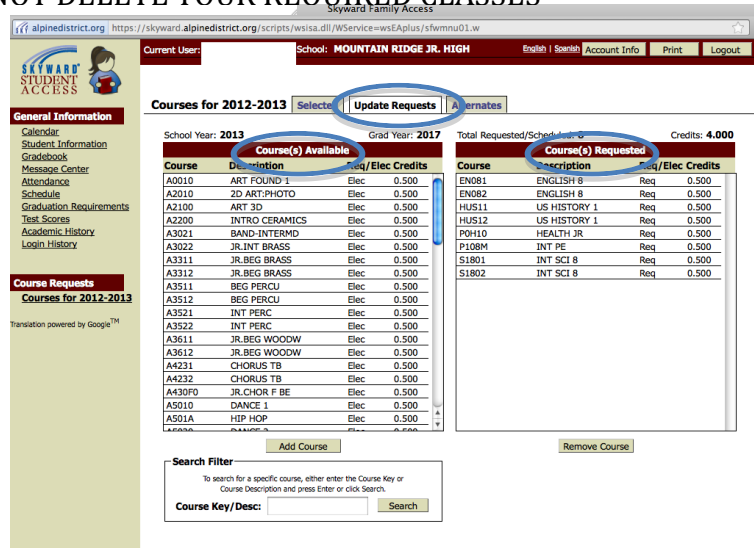

CLICK HERE
Courses for 2012-2013

2. This screen shows you the classes you have selected. We have enrolled you in the required classes. Math will be adjusted after testing scores are available. If you have tested for Academy classes, you will be put in regular classes until we get the official lists from the district.

3. To make a class request, click on the "UPDATE REQUESTS" tab. This is the screen you will see. On the left are "available" classes, on the right are "requested" classes. **DO NOT DELETE YOUR REQUIRED CLASSES**

4. To select a class, click on the appropriate class. The class will highlight. Click the “Add Course” button

When you have selected a class it will show up in the list on the right side. Notice the required classes have “REQ” listed in the third column. Electives say “ELEC”.

If you want to change a class, highlight the class you want to remove and click “Remove Course”

After you have selected the correct amount of electives and have a total of **8 credits**, you will need to select three additional elective credits as alternates. **ONLY CHOOSE HALF CREDIT CLASSES FOR YOUR ALTERNATE CLASSES.** Alternate classes will be used if there is a conflict in your schedule. Choose only the classes you are willing to take as there is a chance that you may be placed in one of them.

5. To choose Alternate classes, click on the tab that says "Alternates".
