EXEMPTIONS

MEDICAL	RELIGIOUS	PERSONAL
Forms can be signed at a doctor's office and attached to the pink immunization card.	Completed waiver form from the local health department (\$25 fee applies) must be signed and attached to the pink immunization card.	Completed waiver form from the local health department (\$25 fee applies) must be attached to a parent-signed pink immunization card.

Results of a completed **TB test (PPD)** given in the U.S. within 90 days or results of a chest x-ray taken within the last year must be presented before school attendance begins by all students who have moved in from a foreign country (except Canada) or who have been out of the country for 6 months or more. A TB test given within the last five years is also required for all entering kindergarten who were born in a foreign country (except Canada). If BCG (a TB immunization) was given within the last year, the student must wait one year from the date of the BCG to receive a PPD, but they may attend school during that time period until the PPD can be given.

*A child may be allowed to attend school “conditionally” if at least one dose of each required immunization series has been completed and the child is **currently on schedule** to finish the rest. The remaining immunizations must be completed **on schedule** for the child to remain in attendance.*
