

Registration FAQs For Incoming 7th Graders

Can a parent use their login to choose classes on Skyward for the student?

- No. Each student must log in with their own skyward user name and password. If they do not know their password they need to ask their current teacher.

When is the ALL Math Placement test? What do I put on the registration sheet if they haven't taken the test to see if they make the class?

- March 30th and 30st. See the Teal colored flyer.
- Go to the Frontier Website and look for the link or use the QR code on the flyer.
- Yes, Ranches Academy students can also sign up.
- Sign up for the regular math class. As soon as the students are chosen to take the advanced math class the counselors will put it on the schedule for them.
- Talk with the student's current teacher if you are not sure about math placement.

Does my student need to get their immunizations before registration?

- No. Immunizations are available registration night. They **must** have them before the first day of school.
- Parents may bring the immunizations to the front office during the summer.
- This is not a Frontier request for the extra immunizations. It comes from the Utah County Health Department. Since these are new requirements, not all Dr. Offices are aware and may not suggest or give the immunizations.
- Student may get a meningococcal shot at age 11. Not all Dr. offices are aware of this.

What if I can't make it to the school on Registration Night?

- Not a problem. This is not first come first serve. Please go online to choose classes and then print the class choices out. Bring the print out and the rest of the packet to the counseling office sometime in the next week or two.

How do I get a locker?

- Sign up with a locker partner online over the summer time July 25th through August 1st. If you don't sign up for one, we will assign you one. It will be printed on your schedule. (Update: this is subject to change as we may or may not be adding additional lockers over the summer.)

How much are Fees?

- Approximate fees for 7th graders \$75 - \$90. Fees are due or payments arranged **BEFORE** the first day of school.
- Fees may be paid at the financial office starting August 1st.

How do I get my schedule?

- Log into Skyward either as a parent or student and see the schedules. We do not have a date and time when they will be released but it is usually the second week of August.

Do I need to provide my student's Birth Certificate?

- Only Ranches Academy students need to bring Birth Certificates. All feeder schools will have a copy of the BC already in the student folder.
