If the class and/or quarter are not available in packet form, students will need to attend summer school to make up the credit

Policy: Students will need to make up the quarter they failed. In order to earn credit, students need to complete the learning packet in its entirety within nine weeks from the date they signed for it. If students do not turn in the packet by the due date, regardless if it is complete or not, they will not receive credit.

Procedure:

- 1) Pay the \$20.00 to the finance office for the packet.
- 2) Bring receipt to the counseling office.
- 3) Inform the registrar which subject and quarter you need to make up. Check out the packet and sign necessary documentation.
- 4) Take the packet home and complete it within 9 weeks of the packet checkout date.
- 5) Return packet by the due date.
- 6) Packet will be corrected and you will be notified if you passed. The Pass/Fail grade will be posted on your transcripts.

Grading Policy: Students will earn .25 credits and receive a P (Pass) grade when they pass a packet. In order to earn a passing grade, student's must earn at least a 75% or higher. Teachers will determine the criteria for which this grade is based on. Once a student has completed a packet and passed, a P will replace an F on their transcript for the course taken. If a student fails a packet, no grade change will take place and the F will remain on their transcripts.
