

Dear Parent or Guardian,

We invite you to the MRJH 7th grade College and Career Readiness (CCR) meetings November 17 & 18 in the auditorium. CCR meetings are an opportunity for parents, students, and counselors to meet together and make educational goals for your student's future and to make sure students are on track to graduate high school prepared to enroll and succeed in post-secondary education or training.

Your student will be coming with his or her Science class, either the first half of class or the second half of class; the schedule is below. You can find out which period your student has science by checking Skyward or asking your student.

We look forward to seeing you.

MRJH Counseling Team

7th Grade CCR Schedule - Science Classes

Tuesday, November 17

A1

8:20 – 8:55 Gudmunson

A2

10:10 – 10:45 Gudmunson
