## **Proposed 2017-18 Trustlands Goals**

1. Math--We want to increase our SAGE test scores by 5% each year.
2. English--We also want to improve our SAGE general language arts & writing scores by 5% each year.
3. Reading—We want to identify our struggling 7<sup>th</sup> grade readers and ensure they are reading at grade level by the end of the year with a lexile score of 850 or higher.
4. General Academics—We want to Reduce the number of failing grades and increase the number of exceptional grades through continued emphasis on work completion and intervention for all levels of students. We would like fewer than 5% of our students to receive a failing grade each quarter and we would like 60% of our students to make the honor roll with a 3.7 or higher each quarter.
