Dear Visiting Team Members,

Welcome to Oak Canyon Junior High School. I would like to thank you in advance for taking time out of your busy schedules to work with us through the Accreditation process. Oak Canyon serves the Orem and Lindon areas of Utah County. We have seventh, eighth, and ninth grade students with a total enrollment of 1,140.

The accreditation process has helped us work together and identify areas that we excel at and areas that we need to address. We feel more together as a school community after refining our mission, vision, values and goals for our students. One of the areas I personally enjoyed was the additional opportunities that we found to help students find success not only here at Oak Canyon, but how to become true lifelong learners.

At Oak Canyon, we feel that we have already begun to address many of the concerns that were identified and are resolved as a school to improve all areas of need. This is specifically true when it comes to student learning and proficiency. We hope that as you arrive you will get the opportunity to visit each classroom and see the great work and effort that our teachers put into their instruction each day.

We look forward to your visit on October 5th and 6th. The enclosed materials should provide a clear picture of our process, programs, performance, as well as our school in general. If you have any other needs or requests before or during your visit, please let us know.

Sincerely,

Scott B. Sumner
Principal, Oak Canyon Junior High
