

## Immunization Requirements

### 7<sup>th</sup> Grade Entry 2011-2012

In order to attend the 7<sup>th</sup> grade, a student must have proof of receiving the following immunizations:

- 5 DTP/DTaP/DT
- Tdap booster (if your student had a Tdap after September 2006, we will accept that immunization)
- 4 Polio
- 2 Measles, Mumps, Rubella
- 3 Hepatitis B
- 2 Hepatitis A
- 1 Varicella (chickenpox) – *history of disease is acceptable, a parent must sign the verification statement on the school immunization record*

A child may be allowed to attend school “conditionally” if at least one dose of each required immunization has been completed and the child is currently on schedule to finish the rest. The remaining immunizations must be completed on schedule for the child to remain in attendance.

An appropriate Utah Department of Health Exemption form must be completed for those children who claim exemption to immunization for medical, religious, or personal reasons.

For questions regarding your child’s immunization status, contact your child’s health care provider, your local health department or the Immunization Hotline (1-800-275-0659).
