

# Pre-Algebra Extra Credit

1. Do the specified problems given on the extra credit form.
2. **The extra credit problems must be done on the form given to you when we started the chapter.**
3. You should do all work independently. Help from parents/family is acceptable, but you may not work with other students or the teacher.
4. Two extra credit points will be earned in the assignment category for each correctly worked problem.
5. The extra credit is due on the day shown on the chapter schedule. It may be turned in early, but not late.
6. **No extra credit will be recorded if there are assignments that are not complete in the current chapter.**
7. Extra credit will not increase the assignment category score above 100%.
