50 States Quiz

Every resident of the United States should know the basic political geography of the country. Although you may not think of other states on a daily basis, there should be at least once in your life when you know the location of all 50 States perfectly.

You will be give the 50 States Quiz once in class. If you score 100% (including spelling), you don't have to do anything else. If you score less than 100%, you may retake the quiz as often as you would like before or after school or during e-Time until November 21st. If you do not have 100% by November 21st, you will not earn credit on the Quiz.

Use the map on the back side of this sheet to label and practice the locations. Another good resource is on online quiz at <http://www.lizardpoint.com/fun/geoquiz/usaq>
