

Chapter 8 Help Sheet– As you read Chapter 8 Section 1, look for the following information, then match the statement to the corresponding region and topic on the worksheet. (You will have to actually write the statement on the worksheet!)

60 % of Canada's population lives in this region

Between the Rockies and Canadian Shield

Cold, treeless, harsh climate, rugged terrain

Harbors, fish and forestry (poorest income-producing region)

Home to only 8% of Canada's population, most live along the coast

Manufacturing (cars, food products, clothing, etc), banking and tourism

Rich mineral deposits (silver, gold, copper, uranium, etc.)

Soil, oil and natural gas

This region is home to less than 1 % of Canada's population

Wealthy province, tourism, mining and forestry

Most people in this region live near Vancouver

Waterways, good soil, minerals, hydroelectric power

Appalachian Mountains, forests and thousands of lakes

High mountains, along Pacific coast with many off-shore islands

"Grains and trains dominate life," cattle and tourism
