Counseling Advisory Section

- The Counseling Department invited Heather Hood to come in and talk about the electronic remediation that is taking place at Oak Canyon. This program is for 9<sup>th</sup> graders who need to make up credit. It started in Term 2 and will go through the end of the year. 24 packets have been completed thus far and 9 should be done by the end of this week.
- Needs Assessment – The questions for the student survey were discussed and Mr. Bearden took notes of the additions and corrections that they will suggest to the state.
- Mike Bearden motioned that we end the meeting, 2<sup>nd</sup> by Darla Baker and approved by all.
