

School Community Council
September 9th, 2014
Oak Canyon Jr. High School – Conference Room
12:00 P.M.

- Nominations for a new chair

- Review of responsibilities

- Budget Review

- Review of safe walking route

- Field Use Signage- In accordance with the new “Governmental Immunity” law (UCA 63G-7-301), we are required to post a sign near outside playing fields. A second sign is being provided by the District to clarify and communicate with the public concerning field use. You and your custodial staff will need to determine the most advantageous spot to post the signage. Please attach the “District sign” so it faces the public as they enter the field area and the "State sign" on the backside so the public sees it as they leave the field area. Use a pole or fence to attach the signs.
