INFO:

Students will need to be very committed to be a part of these auditioned choirs. They are all year long and will require the utmost discipline, respect, and music maturity. Wonderful voices, excellent musicianship, and good acting skills are important as well, however, attitude and dependability are more important. Before applying for any of these choirs, make sure you are willing to commit to a mature, hard-working classroom experience. Students are also expected to maintain good grades in ALL of their other classes.

These choirs perform a variety of music, including: classical, jazz, spirituals, folk songs, multi-cultural, pop, Broadway and more. We represent Oak Canyon at special functions and activities. We also perform at festivals for the District during the year, which requires time missed from classes.

You will need to purchase a uniform for the choir in which you sing. Please be prepared to pay the \$75 by the middle of September of the following school year. This amount of preparation time gives you an opportunity to earn some extra money over the summer to pay for your uniform!
