OUR VISION

Alpine School District's Vision for Learning identifies the 6Cs: the knowledge, skills, and dispositions needed for success in the 21st Century. Oak Canyon's Vision includes these 6Cs, and further articulates the learning experience we hope every student will have. Our shared vision is for EVERY student to flourish academically and personally, and to leave Oak Canyon prepared to thrive in high school and beyond.

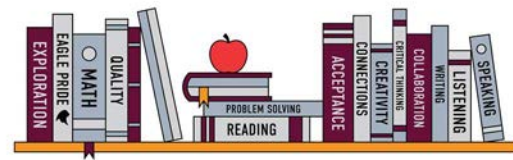

This bold vision will only be accomplished for EVERY

student with a broad coalition of leaders at various levels. These are some of the teams who are leading the pursuit of Oak Canyon's vision:
