

The **PTA Reflections** contest is coming up soon! You can use any of your artistic abilities to enter one, two, or all of the seven categories: 2D Art, 3D Art, photography, music, dance composition, literature, and film production!

The theme this year is "**Show Your Voice**." This has been stumping some people this year, so try substituting the words "share," "tell," "explain," or "express" instead of "show. "

Here are some ways to rephrase the theme:

"How can you show your creativity or imagination?"

"What makes you unique?"

"What do you want people to know about you?"

"What's important to you?"

"How do you share what's important to you with others?"

"Where can your voice make a difference?"

"What will you use your voice to say?"

"Why does your voice matter?"

"How will you share your voice?"

"When is your voice important?"

"Who needs to hear your voice?"

Each of you has something unique to share! Everyone who enters will receive some awesome coupons, and the winners will receive cash prizes and have their artwork move on to the next level of competition.

Entries are due by October 20. Go to utahpta.org/ref for more information and to submit your entry. Don't forget the artist statement! Have fun!
