PRINCIPAL'S MESSAGE

I would like to take a minute and brag on our fantastic Oak Canyon teachers! We have 57 teachers at our school teaching classes ranging from core subjects of English, Math, Science, Social Studies to Career and Technical Education (CTE), Fine Arts, Physical Education, Special Education, and World Language. Our teachers have over 800 years of combined experience and a combined 75 advanced degrees and/or endorsements! Our teacher contract time starts at 7:15 AM and many arrive well before 7:15 and stay well beyond the end of the school day for students. They stand in the halls and welcome students to class. They attend student performances both inside and outside of school. They lead connection activities for students after school. They coach basketball, cross country, track, Math Club, TSA, eSports and more. They teach Homeroom, which is unique to Oak Canyon. In Homeroom they foster connections with students they don't even necessarily have in their classes. They are put outside of their comfort zone daily as they earnestly seek the best ways to help students to learn and to succeed. They have an incredibly difficult job, and they do it with conviction and grace. They are heroes. I am lucky to work with such quality educators that hold your students and their education high regard. Way to go Oak Canyon teachers! You are the best of the best! Take a minute to thank a teacher TODAY!

START SPREADING THE GOOD NEWS!

Parents, we would like to spotlight Oak Canyon students that are up to great things outside of school. The challenge is that we are not always aware of these student accomplishments/events to be celebrated.
