

## FEE PAYMENT OPTIONS

Parents may register their students in one of three convenient ways: In person, online, or by mail. To avoid waiting in long lines, we strongly suggest that you use the online registration or mail in your payment. Parents that choose to pay online or by mail can pick up their students schedule, receipt, and locker information beginning Thursday, August 7 in the main office. Each family will need to have a current Emergency & Release Form completed before your student can receive their schedule. This form is included with this mailing or is available online at [www.alpine.k12.ut.us/forms](http://www.alpine.k12.ut.us/forms). Seventh grade students and students new to our school will need to have an internet agreement signed by them and a parent. Eighth and ninth grade students who have previously attended OJH will not need to complete this form. All seventh grade students must have their immunization updates completed before they can receive their schedules. No exceptions!

### FEE WAIVER AND DEFERRED PAYMENT –PLEASE READ

House Bill #183 states that parents/guardians need to produce documentation in the form of 2007 Federal Income Tax Return to determine eligibility for Fee Waiver. If you are applying for a Fee Waiver, you will need to bring with you the above information and meet with an administrator during our Walk-In fee payment days. If you do not qualify for a Fee Waiver, there will be a 30 day deferred payment option available only with a 50% down payment required on registration day.
